Hire of the Group's lights

24 June, 2018

The Lovelace Theatre Group own and are responsible for most of the Theatre lights in the main hall at the John Godber Centre. If you'd like to hire these for your event or show then the following conditions apply.

- We normally charge £50 per show to cover the use of the lights. This is mainly to cover the cost of replacing the bulbs, which are expensive and have fairly short lives.
- We're happy to reduce this slightly for multiple shows or for non-profit organisations.
- If a lightning technician is needed, then we have several people who'll be interested in doing the work and we can provide contact details. You'll need to come to a separate arrangement with them for their fee.
- Anyone hiring the equipment is expected to look after it, and (in particular) not leave the lightning box full of litter and empty cups.

You can get in touch with us through these email addresses:
